CATALOGUE**

Alle Preise zzgl. ges. MwSt.

FERROLIGHT DESIGN B.V.

THE ART OF LIGHT MEETS THE ART OF MINIMALISM.

All of our light objects are designed and assembled in our own studio.

Therefore, your order will be taken into production after having received payment.

Order proces

For processing your order as smoothly as possible, please send your order(s) to orders@ferrolightdesign.com.

You will receive a confirmation by email. Please check the order confirmation carefully within 5 working days.

If necessary, send any changes as soon as possible to orders@ferrolightdesign.com, so that your order can be adjusted in time.

Shipping & handling charges

Prices mentioned are including VAT, and are excluding shipping, handling and import charges.

Shipping & Handling charges are on request.

Pricing

All prices mentioned are recommended selling prices including VAT.

We would like to emphasize that our light objects are design objects and shall not be offered at a discounted price or clearance-/outlet sale, unless it has been explicitly authorised by FERROLIGHT Design.

Prices are not bound by typing or printing errors and may have been changed since going to print. This version replaces all previous versions.

FERROLIGHT Design B.V. delivers all light objects with a 5-year warranty.

See our digital catalogue on our website
www.FERROLIGHTDESIGN.com

€ TBD

BENEFITS & COMPARISON

The UNIQ SPOT S1 compared to the equivalent industry standard spot.

Spot S1 has a lower power consumption, about 45% lower than equivalent spots. In addition, the test also shows that after 50,000 hours the spot has not or hardly decreased in light output. Competitor spots deliver about 20% less light output after 50,000 hours. The color reproduction is also far above the equivalent with a CRI >93.8 and a R9 63.83% render rating. By using critical optics instead of a reflector the glare outside the beam angle is non existing.

We have developed the most durable and efficient luminaire and given the current energy prices Spot S1 is a responsible and valuable investment within an elegant product smaller than most.

For more information, please contact: Uniq@Ferrolightdesign.com
